

TOWN OF NORTH HAVEN GREEN BIN CURBSIDE RECYCLING PROGRAM

If you need an additional bin...
New green bins are available at the:

Department of Public Works,
5 Linsley Street, North Haven.

Is your bin broken?

Bring it with you when you pick up a new bin!
Old bins will be recycled into things like plastic lumber to make park benches and school playground equipment.

Place green bin at curb the night before regular refuse & recycling collection day.

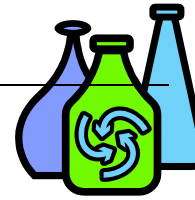

Check Town's website for those holidays when refuse is not collected and instead may be a day later. Town recycling collections service is for single-family and multifamily residences, schools and municipal facilities.

For more information, please call Public Works at (203) 239-5321, ext. 750.

RECYCLE THESE ITEMS IN YOUR GREEN BIN

Please follow instructions closely!

Plastic Containers Numbered 1 through 7  **NEW**
Check for the numbered codes before recycling!

Glass Bottles and Jars and Metals Cans

Include *clean* aluminum foil and pie plates. Remove & discard lids. Rinse containers. Place loose at bottom of bin.

Steel Aerosol Cans

Include empty cans used for cleaning and personal hygiene products like hair spray and shaving cream. Remove and discard caps/spray tops. Place loose in bottom of bin.

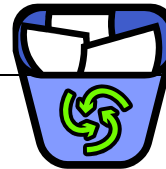

Paperboard Packages and Mixed Paper

If it is paper and it's not newspaper or corrugated cardboard... then it is MIXED PAPER! **NEW**

Include advertising mail, catalogs, magazines, telephone books, all white and colored paper and paperboard items like cereal boxes, tissue and paper towel rolls, paper egg cartons, paper milk and juice containers (*rinsed*). Flatten any paperboard boxes. Place all mixed paper together in a brown paper bag and place on top or side of bin.

Newspapers

Include newspaper inserts. Place in brown bag on top or side of bin. LOOSE paper causes litter – please bag your newspapers.
