Alan,

P20-29

39 Upper State St

There are no concerns regarding the submitted site plan or zoning application for this property.

P20-30S

441, 445 & 447 Washington Ave

Two hydrants will be required on property. FD requests that contractor schedule a meeting with Office of the Fire Chief to identify location of both hydrants. Additionally bollards will need to be installed in front of all ground floor gas meters. The FD will need to review building plans to determine compliance with fire & life safety code requirements.

P20-13S

355 Washington Ave

The FD requests that a windsock be installed on top of existing building closes to Washington Ave. Additionally bollards will need to be installed around the proposed 25'x58' area where the tanks

and tank racks will be located. The FD will need to review building plans to determine compliance with fire & life safety code requirements.

P20-8 8 Massimo Dr
