Re: Borrelli Farm, Warner Road  
Inland Wetland Application #119-10

Dear Mr. Fredricksen,

On July 24, 2019 the Inland Wetland Commission voted to approve the above referenced application. Said approval is set to expire on August 2, 2020.

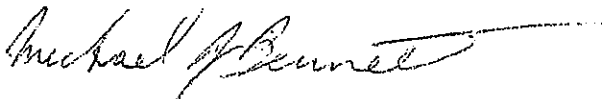

Said letter of approval dated August 7, 2019 indicates the Inland Wetland Commission may grant no more than two (2) six (6) month extensions to this approval.

Due to uncertain economic times brought on by the current pandemic this country is facing, it is likely construction activity on this project will not begin until the spring of 2021. We are requesting Inland Wetland Commission approval for two (2) consecutive six (6) month extensions of the approval for this project. Based on my calculations, the second extension of the approval will expire on or about August 2, 2021.

Please place this request on the agenda for the next Inland Wetland Commission meeting which will be held on June 24, 2020.

If you have any questions or require additional information, please don't hesitate to contact our office.

Very truly yours,

Michael J. Bennett
