Dear Laura,

Thank you for all of your help in sorting through the sidewalk requirements for the North Haven Fair Association and for sending a digital copy of the approved plans; this was very helpful.

At this time, the North Haven Fair Association would like to request an extension for the completion of the sidewalks until September 30, 2022.

As you may be aware, there was no Fair in 2020 due to the COVID pandemic and as a result the Fair has had some financial setbacks. At this time, we are unsure if there will be a Fair in 2021, and the funds we currently have will need to pay for insurance. We are hopeful that there will be a Fair 2021 so that we can move forward, but at this time, it is an unknown.

In addition, the ground is currently frozen, and therefore not conducive to the installation of sidewalks.

We are actively working on plans and soliciting bids for the installation of the sidewalks as outlined in the plans approved by the Town of North Haven.

Please confirm you are in agreement with this extension and we will continue to prepare for the installation of the sidewalks.

Thank you again for all of your help.

Stay safe and be well.

Vice President
North Haven Fair Association
