Re: P20-12 Extension & Approval request

To whom it may concern:

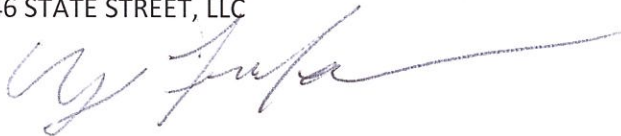

Please accept this letter as our formal request to request an extension of (2) 6 six-month periods of our approval for the Site plan #P20-12 that expired on July 16 2021. Due to issue with the pandemic, we have been unable to start this process until now and are requesting this extension to address the conditions that came with this approval in 2020.

We will be updating the site plan to reflect the changes outlined in the July 9th, 2020, letter so that we may seek final approval and request the building permit from the building department. We request that you hear this matter at the next December 6th hearing.

If you have any questionS, please email me mastromanolis@aol.com or call my cell 203-508-5572.

Thank you for your consideration in this matter.

Sincerely,
346 STATE STREET, LLC
