**Re: 78 Rebeschi Drive, Acct No. 281614, Map 006, Lot 006, & PID 8901
Zoning Approval Request for Installation of an Emergency Generator at Building No.1,
AKA 88-98 Rebeschi Drive For Petra Construction Corporation, 98 Rebeschi Drive**

Mr. Alan Fredricksen

Please accept this writing as a formal request to the Planning and Zoning Commission for the installation of a 32kw emergency stand-by generator at the above stated address. Attached is a copy of an overall property site plan including an indicator identifying the location of the proposed generator and a copy of drawing No. A.1 dated 02/11/21 which provides a more detailed location of the generator specific to the existing building and specific generator details.

Please consider reviewing this request at your April 5, 2021 Planning and Zoning Commission Meeting. Please feel free to contact me with any questions or direction via my cell phone (203-410-8361) and/or via email at bdavies@petraconstruction.com.

Sincerely,

Brian Davies
Operations and Safety Manager
