**TWELVE PERCENT, LLC, APPLICANT  
450 SACKETT POINT ASSOCIATES, LLC, OWNER  
SITE PLAN APPLICATION**

### Review Comments:

1. This application is intended to permit an approximately 35' x 80' outdoor seating area on the north side of the Twelve Percent Brewery. This application is being made in anticipation of the expiration of the Governor's Executive Order No. 7MM which permitted outdoor dining without approvals through the conventional zoning process. Minor site modifications proposed include some additional parking and landscaped islands.
2. The Commission approved the subdivision of the property at 333 State Street on February 6, 2017 (#P16-31) to create this lot. Street sidewalks were required as a part of that application's approval.
3. An administrative approval was granted by the Inland Wetlands Commission for a Site Plan Referral (#I21-04) on 27 April 2021.

### Recommended Conditions of Approval, if granted:

1. Submit revised drawings which include:
  - a. A note indicating "#P21-09, Site Plan Approval".
  - b. 8' wide landscaped islands with one (1) minimum 2" caliper deciduous tree at ends of all rows of parking.
  - c. Existing and proposed landscaping.
  - d. Zoning Data Table.
  - e. Dimensioned building setbacks.
2. Soil and erosion controls must be inspected by the Zoning Enforcement Officer before work may commence.

3. The property owner, and/or his/her agents, must maintain (repair/replace) when necessary, the siltation control until all development activity is completed and all disturbed areas are permanently stabilized.
4. Any proposed signage or fencing will require the filing of applications with the Zoning Enforcement Officer.
