## ATTACHMENT TO SPECIAL PERMIT AND SITE PLAN APPLICATIONS

The Applicant operates its goodwill services offices and related activities at 432 Washington Avenue. Due to the growth of its business operations it has entered into a purchase agreement with the owners of 12 Glenn Road to acquire that abutting property. The land would be used to create additional parking for the vehicles stored on the property. The proposed plan meets the bulk standards under the regulations. Section 11.1.2 of the regulations permit the expansion of the commercial uses permitted on site that extend further than 40 feet over the zone line by special permit.

The Applicant has been a valuable commercial resident of the Town for many years, providing valuable and needed, services and jobs to those in the community. The use of the neighboring site to expand its vehicle parking area is necessary for its continued operations. The vehicles will be screened from view to the neighboring residence by the buffer plantings. The use is similar to the existing uses on site and will have no adverse health, safety and welfare impacts on the surrounding properties.
