which is less than 50 feet from property line. However, in accordance with 8.4.2.5 dogs (2)(b), it is more than 5 feet from the property line.

We need to maintain proximity to existing buildings and we need pen to be separated from property line by the building for noise reasons. The building was built on the existing slab of the now demolished garage. Approval was given for construction of new building and pen in 2007. The building houses a dog that does not do well living in proximity to other dogs.
